Private tour

Program: Casablanca – Rabat – El Jadida – Marrakech - Zagora

Day 1 Casablanca airport – Hotel

(D)

Flight ... at 00:00

Arrive at Casablanca airport. Meet and greet by your guide, then transfer to the hotel.

Enjoy the city tour of Casablanca, the economic capital of Morocco and its largest city. Begin with an inside visit of Hassan II mosque, the largest mosque in the country and one of the largest mosques in the world. Continue to Ain Diab Corniche for a pleasant stroll along the coast. Your next stop is Mohammed V Square in the city center. The city tour includes also the Habous Quarter, one of the oldest areas in Casablanca. The district was built by the French in the 1930s as an attempted solution to the ongoing housing shortage. It marries the best of traditional Moroccan architecture with modern facilities and French ideals - even the mosque fronts onto a strip of grassy lawn just like a village church.

Welcome dinner at Ricks Cafe (or similar).

Overnight in Casablanca.

Day 2 Casablanca – Rabat

Transfer to Rabat, the capital of Morocco and one of the Imperial Cities.

Day 3**Rabat (1st round of Golf)****(B)**

Breakfast in the hotel.

Enjoy your first round of golf at Dar Essalam Royal Golf. It fully merits the 40 mile detour along the coastal highway from Rabat, where lies the most notable Moroccan creation of Robert Trent Jones Sr, that at Royal Dar Es-Salam Golf Club. This has three courses: a nine hole, the par-72 Blue Course of 6,205 meters, and the Red Course, a monster of 6,702 meters from the tiger tees. It's regular venue for the Moroccan Open. Here, the short holes aside, virtually every fairway bends, all are tree-lined with bunkers at strategic points and two large lakes jointly influence five holes.

Optional dinner.

Overnight in Rabat.

Day 4**Rabat – El Jadida****(B)**

Breakfast in the hotel.

Transfer to EL Jadida, a charming port city on the Atlantic coast. The city was previously known as Mazagan (Portuguese: Mazagão). The city was seized in 1502 by the Portuguese and controlled until 1769, when they abandoned Mazagão, their last territory in Morocco. Upon their forced departure, the Portuguese destroyed the Governor's Bastion and evacuated to the Portuguese colony of Brazil, where they founded new settlement Nova Mazagão (now in Amapá).

Visit the citadel ramparts, impressive tank and another defense structure that were left behind when the Portuguese left during the 18th century. Inside the walls are old Portuguese mansions with pilasters and wrought iron balconies, mosques and churches built next to each other.

Optional dinner.

Overnight in El Jadida.

Day 5**El Jadida (2nd round of Golf)****(B)**

Breakfast in the hotel.

Enjoy an amazing golfing experience at the Mazagan Golf Course. At 7,484 yards, the Mazagan Gary Player Golf Course is Morocco's longest course. This provides a unique challenge to champion golfers. Golfers of all abilities can still fully enjoy the course though. The dunes and valleys featured throughout this links course have been entirely created with sand from the region. The type of grass used, the Paspalum, a Platinum variety, is the ultimate choice for fairways, tees, and roughs. Dark green in color, it is particularly resistant to salt water. Services and reception is run entirely by Troon Golf, world leader in the management and development of golf courses. Troon Golf provides unrivalled service and hospitality. International professionals trained by Troon Golf are also highly qualified and deliver high-level tutelage.
