Stay in Brunei's recommended hotels or homestay and meet the young and friendly dive staff and locally trained guides!

Dive on the many shipwrecks of Brunei to your heart's content! Discover the mysteries of the World War II wrecks, swim through the decommissioned oil rig and discover various sunken cement barges and fishing vessels seen by only a few before. Alongside the wrecks, schools of barracudas and trevally whirl around, over-sized Gorgonian fan coral and soft barrel sponges outline the panorama with the lone lionfish in between. With warm 29 degree Celsius water and over forty sites of untouched reefs and shipwrecks to choose from, diving in Brunei will be a diving experience unlike any other, especially when you are often the only group at the dive site!
