DAY 2 : SIEM REAP

(B)

After breakfast you will start to visit **Angkor Thom**, the last capital of the Khmer Empire, was a fortified city enclosing residence of priest, officials of the palace and military, as well as buildings for administering the ancient kingdom. Next, we travel to visit **Bayon temple** located at the centre of Angkor Thom City. It is known for the 216 giant mysterious faces carved on the 54 towers, each posing a differing mysterious smile, keeping watch of each compass point. On the walls of the galleries are many bas-reliefs depicting scenes of everyday life, great battles and military processions during Angkor period and **Phimean Akas, Elephant and Leper King Terraces**.

In the afternoon, we continue to visit **Ta Prohm and Angkor Wat**. Unlike most of the temples of Angkor, **Ta Prohm** has been largely left to the clutches of the living jungle. It shows the dynamic interaction between nature and man-made art. Whereas, the legendary **Angkor Wat** is visually, architecturally and artistically breathtaking. It is the world largest religious monument and a masterpiece that showcases the pinnacle of Khmer Art. Its beauty and state of preservation, is unrivaled; its artistic distinctiveness as fine as that of the Taj Mahal. It is a massive three-tiered pyramid crowned by five lotus-like towers rising 65 meters from ground level. Angkor Wat is the centerpiece of any visit to the temples of Angkor.
