This temple contains a large statue of Buddha built by the Chinese. Ordinarily a statue of Buddha is built to face the east to greet the rising sun; in the case of this Buddha it was built to face China. It is thought that this was to move the power of a sleeping dragon that lies within the mountain over to China. After lunch visit **Kampong Luong** . whose inhabitants specialize in silver and copper smithing. They make superb ornamental items, including delicately engraved tropical fruits, used in traditional ceremonies at the pagoda or for marriage's. Our tour will take you through the village where you will observe the craftsmen at work. Return to phnom penh, Dinner and Overnight at Phnom Penh
