The largest, best preserved, and most religiously significant of the Angkor temples, Angkor impresses visitors both by its sheer scale and beautifully proportioned layout, as well as the delicate artistry of its carvings. To approach the temple, first cross the vast moat, continuing along a broad causeway lined with naga balustrades. As you enter the main building, ascend through a series of galleries and courtyard before reaching the central sanctuary, which offers beautiful views back over the causeway and across the surrounding countryside. And then visit **TA PROHM TEMPLE**, one of the most popular attractions of Angkor as much of the jungle has not been cleared and it looks very much as most of the Angkor monuments would have appeared when European explorers first stumbled across them.
