

# 1 Day Kbal Spean & Banteay Srei

**Validity: Till 20 Jan 2018**

## DAY 1:- KBAL SPEAN – BANTEAY SREI (L)

After your breakfast, we explore to KBAL SPEAN which is 50 kilometers northeast of Siem Reap provincial town or about 18 kilometers from Banteay Srei on a dirt road. It takes from one to two hours to get there from the provincial town. The original River of Thousand Lingams, Kbal Spean is an intricately carved riverbed deep in the foothills of the Cambodian jungle. Lingams are phallic representations sacred to Brahmanism as symbols of fertility, and hundreds of them are carved into the rock here, as are several carvings of gods and animals above the small waterfall.

Lunch at local restaurant

And then visit BANTEAY SREI TEMPLE seemingly miniature in comparison to the other Angkor temples, BANTEAY SREI is considered to be the jewel of classical Khmer art. Built in pink sandstone, the walls are covered in exquisitely preserved carvings of unusual delicacy. Because of its small size, fairy-like atmosphere and extraordinary examples of Khmer sculpture, this temple is often a favorite with visitors. After that TA PROHM TEMPLE, one of the most popular attractions of Angkor as much of the jungle has not been cleared and it looks very much as most of the Angkor monuments would have appeared when European explorers first stumbled across them.

01hours body massage

After relax at massage, transfer to your hotel. End tour!!!
