- Ismoil Somoniy Mausoleum

(This world-famous architectural masterpiece was built at the close of the ninth century. The mausoleum was erected as a family crypt immediately after the death of Ismail Samani's father.)

- Chashma Ayub Mausoleum

(Chashma-Ayub well, translated as Saint Job's Source. A legend has it that the Bible prophet Job, having visited this land, decided to help the people who suffered from water shortage in the desert. He struck the ground with his stick, making a source of crystal clear water sprang at that place.)

- Bolo Khouz Complex

(Bolo-Khouz Complex is the only preserved monument on the Registan Square. It is located on the opposite site of Ark - the Emir's fortress. The complex consists of the reservoir, Friday mosque and minaret. Lunch check in to hotel.)

- Ark Fortress

(Ark-Citadel is a residence of Bukhara khans. According to the last excavations, it was determined the citadel was on this place from 4 century BC. For many years of building and destruction, 20 meters height artificial hill was formed; its upper layers were built over in the time of last Bukharin emirs.)

Dinner at Uzbek Restaurant
