

# 5 Days Hongcun village and Mount Huangshan Photo tour Valid Till : Dec 2018

**Duration:** 5 Days

Take this challenging photo tour at Mt. Huangshan to explore its stunning natural beauty. Tour starts on Feb 12, 2016, escorted by our photographer of Mr. Chen Zhongping who was born and raised in Huangshan, He knows every plant on the mountain and speaks in English. He knows when and where is the perfect light coming out.

1. Child 3-11 with bed 90% as adult price
2. Child under 2 without bed free

## Day 01 Arrival in Huangshan (Friday)

**Detailed Itinerary:** You can go to Huangshan by plane, by bullet train. The most convenient city is from Shanghai or Hangzhou. Meet our tour guide at Huangshan airport or train station, transfer to hotel.

### HUANGSHAN CITY

It is a prefecture-level city centered around the Huangshan Mountains in southern Anhui province, China. Its urban area was originally known as Tunxi, about 1 hour drive from Mount Huangshan.

### TIANDU INTERNATIONAL HOTEL

1km from Huangshan railway station, 8km from airport, the hotel is located in the

outskirt area between downtown Huangshan and the south entrance of Mount Huangshan.

- OPTIONAL ACTIVITIES -

If you arrive in the morning, we recommend you to DIY a trip to Chengkan, or visit Hukaiwen Ink Factory.

Chengkan Village: Chengkan village in Huizhou District, Anhui province is famous for the residential architecture of the Ming and Qing style. Baolun Hall in the Ancestral Temple of Luo's, built during the Jiaqing's reign, is a representative collection of typical Huizhou architecture.

**Attractions & Activities:** Airport/train station to Huangshan City transfer.

**Meals:** No meal

**Seleted Hotels:**

Tiandu International Hotel Deluxe

## Day 02 Hongcun village (Saturday)

**Detailed Itinerary:**

Photo in Hongcun village in the morning. Take coach to Mount Huangshan, take Yunggu Cable Car to mountain summit, then walk 1 hour to our hotel located near **Bright Summit Peak**.

### HONGCUN VILLAGE

An ancient town over 800 years old leaning against Mount Huangshan, it is folded in the fog of the mountain, with a well-designed water system surrounding houses and rice paddies nearby.
