

Great Wall at Jinshanling One Day Group Tour

**** Note - Handling Fee SGD20 per booking apply if purchase only Optional Tour ****

Tour Description:

Jinshanling Great Wall, the remote and isolated section of the Great Wall. is one of the best preserved parts of the Great Wall which may shows its charms to the hiking fans at all times. With a distance about 140 kilometers (87 miles) northeast of Beijing city, Jinshanling Section connects to the Simatai Section of the wall in the west. It is the most representative part of the Chinese brick-made dragon. Very few tourists make the longer trek out so you are most likely guaranteed a relatively peaceful walk.
