You can also enjoy the scene of Tower Bridge and Tower of London while sitting on the coach. The Tower of London is a historic castle located on the north bank of the River Thames in central London. It has played a prominent role in English history and served variously as a palace, an armoury, a treasury, a prison, the home of the Royal Mint, the home of the Crown Jewels of England and has been setting to many bloody battles among the British Monarchs. We stay overnight in London, where you can experience the dazzling night scene, or head for a Thames Cruise or musical with a group of friends.
