

# Standard tour of Moscow and Saint Petersburg

5 days / 4 nights

Moscow is the capital of Russia and its political and economic center. This amazing city has served as the capital of the Soviet Union, the Russian Empire and the Grand Duchy of Moscow. The city is filled with unique architecture from the Kremlin and Red Square to giant Stalin skyscrapers to new office blocks built during the economic boom of recent years and it contains a strikingly beautiful metro system. This is a city which never sleeps and amazes people with its luxury, crazy tempo and surprising mix of cultures. If you haven't been to Moscow you haven't really seen Russia.

Saint Petersburg is a cultural center of Russia and has a unique atmosphere. Founded on a swamp by Peter I, it became the most powerful and important center of the Russian Empire as Peter the Great moved the capital from Moscow to Saint Petersburg in 1712 and it was the capital of the Russian Empire for more than 200 years. The city was named after Saint Peter, the patron of Peter I.
