The Goreme Open Air Museum is a must-visit for any traveler in Cappadocia. large monastery complex with dozens of monasteries, each of which has its own church, each with its own navies and various rooms. The best examples of Byzantine art of Cappadocia. The churches carved into the rock are carved in paintings and frescoes from the tenth to the thirteenth century, whose colors still retain their original freshness. We stop for wonderful panoramic view of Goreme from Esentepe hill. After visit **Paşabağı Valley** (Priests' valley) is located on a vineyard on Zelve road. Some mushroom-shaped rock formations are several meters high. Fairy chimneys shaped by erosion for many years were used as houses by various religious groups, so it is known as the **Monks Valley** . Be ready take photos in **Devrent Valley**: Famous for its rock formations giving a reddish moon landscape view. Most of their formations have animal figures such as a large camel, seals, dolphins. There is a boulder that resembles the Virgin Mary who holds the baby Jesus. Fly your imagination to make it look like other figures. So it is known as the Imagination Force. On the banks of the **Red River in Avanos**, Red River, Turkey's longest river, and that does not just separate the only city in other regions of Cappadocia, because it also is a source of supply for the preparation of clay, clay is red. Clay has been the city's support for centuries. Take a lunch in traditional restaurant. And visit to **Kaymaklı Underground City**, one of the most interesting underground settlements in Cappadocia. Then visit a typical craft carpet workshop to learn the traditional Turkish art and its origin from the ancient silk route.

Transfer to airport to take the evening flight to Istanbul or other destinations and leave Cappadocia.
