Places To Visit

Dolmabahçe Palace - Dolmabahce Palace located between Besiktas and Kabatas in Istanbul. it was built by order of Sultan Abdülmecid I between 1843 and 1856 on an area of 250,000 m². and is one of the most glamorous palaces in the world. The architects of the palace are signed by Garabet Balyan and his son Nikogos. While the architect built the Dolmabahce Palace, he synthesized the traditional Ottoman architecture with approaches from western origin such as Rococo, Baroque and Neo-Classic.

You will admire the Dolmabahçe Palace, which adds beauty to the beauty of the Bosphorus with its unique view when illuminated at night.

Dolmabahçe Mosque (Bezmialem Valide Mosque) -

Dolmabahçe Mosque was built by Bezmialem Valide Sultan, the mother of Sultan Abdülmecit and completed by Sultan Abdülmecit upon his death and designed by Garabet Balyan.
