Monday: Venice – Rome (550 km)

Spend the morning in the company of a knowledgeable local guide as you explore Venice, the most magical of cities. Begin with a **waterbus ride to San Marco Island**, a memorable crossing of the lagoon that gives you a real taste of the city's charm as you approach the dreamy spires and distinctive waterside buildings. Once on the island you'll be led around some of Venice's best-known locations, beginning in the Piazza with the **Basilica di San Marco**, a stunning piece of Byzantine architecture. You'll also see the legendary Bridge of Sighs, which appears on many a postcard or picture of Venice and connects the old prison to the interrogation rooms in the Doge's Palace.

Afterwards you'll have a chance to see some traditional Venetian craftwork at close quarters with a demonstration by **Murano glassblowers**; their exquisite creations make excellent souvenirs. Of course, the ultimate Venice activity is to ride through the warren of waterways on a **gondola**, and for most people this optional excursion is a must. The exquisitely beautiful Basilica has been present here for almost 1,700 years and contains a bewildering collection of paintings, frescoes and design crafted by some of humanity's most famous artists, which you can explore. Alternatively, you can choose to add on the optional **Sistine Chapel** tour to view **Michelangelo's famous painted ceiling**.

Next you'll see the famous **Trevi Fountain**, the lavish Baroque showpiece where people flock to throw coins into the water – an action which is said to ensure that you'll return to the city again one day.
