

5 Days Laos at Glance

Tour Code: LVV05/VATL160601452

Laos is Southeast Asia's most pristine environment!! Intact cultures and quite possibly the most chilled-out people on earth mean destination Laos is fast earning cult status among travelers. It is developing quickly but still has much of the tradition that has sadly disappeared elsewhere in the region. Village life is refreshingly simple and even in Vientiane it's hard to believe this sort of languid riverfront life exists in a national capital. Then, of course, there is the historic royal city of Luang Prabang, where watching hundreds of saffron-robed monks move silently among centuries-old monasteries is as romantic a scene as you'll experience anywhere in Asia. Come and take a glance.
