

Tour Code **Tour Description (Ex-Sandakan)**
STW071 **Fire Flies/Mangrove Cruise/Fishing Village Tour (Dinner)**

Departures: Afternoon Session:
1630 hrs (Sepilok Jungle Resort)
1615 hrs (STW Office, City Hotels in Sandakan)

Late afternoon by 1615hrs, pick up from hotel in Sandakan, we transfer to a fisherman village. Upon arrival at the village, have a simple tea break, short briefing about the village and the fire flies activities. Houses are built on stilts and it is very interesting to walk around the village. Very often, kids will be having their play time at this hour and please feel free to join them in some of the interesting village games. After that, proceed to a boat cruise to learn more about the mangrove forests and a chance to plant trees in the area. While cruising, drop some fish/crab traps along the river and see if we are lucky to get some for the dinner. As it gets darker, we will be able to see the fire flies lighting up the trees around us. The programme will end with a dinner. After dinner, transfer back to your hotel
