3D2N DISCOVER CAMERON

Day 1 Free at leisure after check-in.

Day 2 After breakfast, proceed to Cameron Countryside Tour:

Since the discovery of the Cameron Highlands by William Cameron in 1885, the highlands have not only been transformed into a farming land and a retreat for the wealthy Chinese businessman but has also become the most popular destination for local and foreign holiday makers alike.

In 1929, John Archibald Russell a Scottish, was the first person to be granted a piece of land to cultivate tea in this region. Today, his company Boh Plantations is the biggest tea grower in Malaysia.

This half-day tour will take you to one of his tea plantations to watch the processing of black tea and later to sample various kind of tea in the tea house. After the tea break we will visit our local fruit and vegetable market, an apiary farm, Butterfly garden, Chinese Buddhist temple, Cactus and Flower gardens and lastly a Strawberry farm.

Day 3 After breakfast, free at leisure until your check out from the hotel.

4D3N CAMERON EXPLORER

Day 1 Free at leisure after check-in.

Day 2 After breakfast, proceed to Mountain Biking Gunung Brinchang Discovery: -

This is an adventurous way of seeing the highlands and the countryside by mountain bike. Before pedalling through the most scenic view of our famed BOH tea plantation and the montane forests you will be taken to a guided tour of our highest mountain by 4x4. Here you will be introduced to the moss forests whose functions and benefits to our eco systems will be thoroughly shared. After a refreshing tea break, we will proceed to visit the countryside and some of the attractions in the highlands.

Packages Included : 4x4 vehicle transfer, mountain biking & tea break

Day 3 After breakfast, free at leisure. In the evening will proceed for Mossy Forest Night Tour: -

A mossy forest is an occurrence only at the highest elevations for low-level clouds in the sky are driven by winds, thus covering the forests with mist and moisture, resulting in a suitable place for moss, ferns and orchids. In a mossy forest, animals like frogs, birds, snakes, insects and certain mammals thrive, making it more challenging for a night trek. This trip requires you to be on high alert and engage all your senses as the dark brings the unexpected. And on a cold night, when temperatures can drop to as low as 15C, a hot cup of coffee or tea is extremely welcoming.

Breaking for a hot cup of tea or coffee in the middle of the moonlit jungle can be enjoyable and a memorable one.

Packages Included : Mineral Water, hot drinks, torchlight, guide & transfers

Day 4 After breakfast, free at leisure until your check out from the hotel.

Notes: All tours are based on seat-in-coach basis.
