Based on the island of Gan, approximately 35 minutes by domestic plane from Male International Airport, Gan Island is in the southern atoll of Laamu. It is the biggest island of the Maldivian archipelago, with the longest beach existing in the Maldives (7.8km of white sandy beach). Gan has some unique features such as a fresh water lake in its middle (the Red Lake, so-named because of its red water from the tree-leaves falling into it) it is believed to be bottomless. Gan also boasts ancient Buddhist ruins and we spend time exploring the island to allow you an insight into Maldivian local life.

Our guesthouse is built in a unique contemporary Maldivian style nestled in a beautiful garden setting on a lovely beachfront location. This 4* property with 23 rooms has been welcoming guests from all parts of the world to explore the hidden treasure of untouched reefs, and discover the ancestral heritage of the locals islanders. Offering full services and facilities for a great holiday experience and a comfortable, relaxing holiday destination, complete with a restaurant, roof top mocktail bar, garden BBQ, Boutique, Gym, Entertainment area, plunge pool and wellness centre. Female guests are also able to sunbathe in bikinis within the confines of the hotels private beach/garden area.

Note: The Maldives is a Muslim country and therefore alcohol is not available on local islands. Subject to availability day/evening visits to resorts can be arranged. Bikinis are also not allowed to be worn on local island beaches; however most of our guesthouses offer private gardens or private beach areas for guests.

ITINERARY

DAY ONE:

Upon arrival at Male International Airport you will be greeted by our representative and transferred by domestic flight to the island of Gan, in the southern atoll of Laamu and onto your guesthouse which will be your base for the week. Settle in after your flight before taking your first steps on the sands of this tropical paradise, take a swim in the warm waters of the Indian Ocean or just explore the facilities of the guesthouse before a pre-dinner briefing and the chance to meet other members of your group.

DAY TWO:

Following breakfast served at the guesthouse the day will be spent sea kayaking, providing an opportunity to explore the east side of the atoll. You will be coached on how to paddle and manoeuvre the kayak before heading off into the inner atoll. There will be plenty of time to stop off at isolated sandbanks and uninhabited islands to snorkel and gain your first experience of the amazing underwater world of the Maldives. A picnic lunch will be eaten and there will be time to relax and sunbathe before kayaking back to Gan.

The remainder of the afternoon is free for you to relax on the beach, snorkel the house reef or just chill in the plunge pool.

DAY THREE:

Today the morning is free for you to hit the beach, snorkel the house reef or just chill in the peaceful guesthouse garden.

Following lunch you will be taken by a local guide on an exploration trip of the island of Gan by jeep. You will visit a number of historical places and learn more about the history of the Maldives and local life, even visiting a fish factory and a local vegetable farm. Keep an eye out for the local herd of goats that are often found hiding in the undergrowth! The trip includes a visit to a local café to sample traditional 'hedika' - Maldivian savoury and sweet snacks served with black tea.

DAY FOUR:

Today is your chance to give SCUBA diving a go! Reveries dive club is a PADI registered dive school operated by Europeans and locals and was the first PADI scuba diving and water sports center on a local island in Laamu Atoll. For those who have not dived before, we offer a Discover Scuba Diving Course where you learn the basic safety guidelines and skills needed to dive under the direct supervision of a PADI Professional. You will complete two dives from the shore. Qualified divers can take 2 dives by boat to explore this virtually untouched paradise. For guests who would prefer not to dive we offer a guided snorkeling tour.

DAY FIVE:

This morning you head out to the waves for the opportunity to learn to windsurf or surf. With an instructor, learn and practice the skills required on land before testing them on the water. Following an energetic morning the afternoon is free for you to relax or choose from additional activities and excursions which include dolphin watching and evening fishing.

DAY SIX:

Following breakfast served at the guesthouse the day is yours to enjoy as you please, relax on the beach or for those feeling energetic practice some of their new found skills. Optional diving trips can be organised for certified divers and a visit to the 5* resort of Six Senses can be organised (subject to availability).

DAY SEVEN:

Following breakfast served at the guesthouse we head to a private uninhabited island with a guide, where you can relax, sunbathe, swim or snorkel the beautiful waters whilst a BBQ lunch is prepared. After lunch more of the same before returning to Gan. Fruit cocktails will be served on the beach at sunset before a farewell dinner.
