

8 DAYS YOGA & DIVING PACKAGE

VALID TILL: 30 APRIL 2016

Join us on a yoga and dive holiday that takes place on one of the most beautiful northern local islands in the Maldives archipelago and is designed for everyone who wishes to escape the daily routines, stress, and worries of modern day life. Unlike many of the other diving areas of Maldives, in Haa Alif you are unlikely to see many other divers or boat traffic. Because of this the marine life seems to revel in the minimal interference from humans with flourishing hard coral growth over most of the submerged boulders.

This holiday will give you an introduction to yoga and how it can assist and improve your diving and breathing techniques. There are 20 to 30 dive spots at a boat distance of 20 to 40 minutes, all of them can be reached by traditional dhoni and/or speed boat. Diving excursions to Makunudhoo where whale sharks are present for several months a year and manta and dolphin dives are offered according to the season. The program is suitable for everybody from divers to non-divers, and from experienced yoga practitioners to beginners.

When not enjoying the diving or yoga sessions there are plenty of optional activities to participate in including snorkeling, watersports and daily excursions or just lie back and relax on the white sandy beach and listen to the gentle lapping of the Indian Ocean waves.

All yoga lessons are conducted by an International Yoga Master and can be performed by yogi of any level. A morning session (8.00/08.15 am – 9.00 am), followed by a sunset time session (5.30 pm - 6.15 pm). Each class has a duration of 45 min (introduction – breathing practice – warm up – standing and seating sequence – meditation)

The diving center operated by PADI professionals guarantees the highest level of quality and professionalism and offers complete sets of rental equipment including BCD, masks, snorkels, fins, wetsuits, dive computers and underwater digital cameras as well as customized services, suitable for both adults and children. All level courses are available including “PADI ENRICHED AIR DIVER”. Free try dive. The water is azure blue, warm and the varieties of dive spots (20-30 at a boat distance of 40 minutes) are stunning. The area is unique and renowned for the abundance of big aquatic animals such as manta rays together with the diversity of corals (soft and table), sharks and fish of all sizes. The dive boat usually leaves at 09:00 and 15:00 daily. Full day trips to enjoy dive sites further afield are arranged on an adhoc basis dependent on level of interest.

The hotel is located within an almost untouched forest on the Maldives local island of Hanimadhoo in the preserved deep North of Maldives. The dense vegetation allows not only privacy but the opportunity to experience untouched nature and the genuine and natural Maldives along with all the amenities expected from a modern day accommodation option. A half mile private sandy beach and a turquoise lagoon frame the hotel and invite you to experience an authentic and relaxing holiday at outstanding value.

The hotel SPA offers a natural health retreat, holistic treatments and classic massages services. Detox programs are research-based and combine medical science with holistic therapies. Guests can chose to add additional personal yoga classes or therapies to personalize their program alongside the scheduled yoga classes.

Environmental activities within the hotel are led under the supervision of the Conservation Center. All of them have been thought and developed to reduce impact on the one hand, and contribute to the monitoring of biodiversity and to the Local Community economy on the other hand. Guests have the chance to actively contribute to the process, for example joining the "conservation snorkeling" within a monitoring framework.

For guests wishing for a more active holiday the hotel offers a fully equipped gym, canoes, windsurfing, kitesurf, snorkeling trips, night and fluorescent snorkeling, natural and cultural escorted bike tours, guided star watching, big game and light game sport fishing and guided kayak trips.
