Your train then through lush beech rain forest to the West Coast town Punakaiki and the always popular glaciers.

Pancake Rock Tours. Paparoa National Park the most walk, suitable for families (20 minutes return), the other is famous Pancake Rocks and Blowholes are just a 20 minute on the main highway at Punakaiki. Looking like giant are especially spectacular at high tide in a westerly sea. Take passes through a dark canopy of wind-shorn coastal forest where Zealand's only native palm. Tree ferns and kiekie vine feature closer to the forest floor. In clear weather Aoraki//Mt Cook and make a picture in the far south. At the first fork on the track Blowhole a few metres straight ahead. This blowhole only sprays a train in a tunnel as the sea surges through subterranean to the Surge Pool where you look down on a dramatic spectacle through a huge build-up of foam. Nearby, the Chimney Pot gushes in through a narrow rock channel. The track crosses a bridge viewpoint above Putai - the biggest blowhole. Putai is more a fissure than the caverns below, a mixture of compressed water and air escapes upward as a distance on stormy days.

DAY04 Greymouth – Twin Glaciers – Lake Matheson – Franz Josef Glacier (B)

Set off your journey South into South West New Zealand World Heritage Area huge rivers of ice, living remnants of the ice ages, carve a spectacular landscape from the snowfields of the Southern Alps to their terminal faces near sea level. Get up close and hear the glaciers creaking and cracking as they constantly grind down the valleys. Near Fox Glacier is Lake Matheson, formed some 14,000 years ago from a huge sheet of trapped ice. On calm days, the deep, still waters provide a brilliant reflection of Mt Cook and Mt Tasman.

DAY06 Queenstown – Milford Sound – Queenstown (B/L)

Milford Sound is simply stunning. It is a natural wonder of world fame. In Maori legend, the fiords were created not by rivers of ice, but by Tu Te Rakī Whanoa, a godly figure who came wielding a magical adze and uttering incantations. Milford Sound (Piopiotahi) is without doubt his finest sculpture. Whatever the fiord's mood - teeming with rain or with sun glistening on deep water - it will inspire you. Nowhere else in Fiordland do the mountains stand as tall, straight out of the sea. In the foreground of the fiord stands the legendary Mitre Peak, a remarkable presence dominating the skyline. The Milford Road (between Te Anau and Milford) travels through some of the world's most impressive alpine scenery. Our experienced drivers love sharing some of the breathtaking highlights and there is plenty of time for photo

opportunities. The Milford Sound cruise is included with the Lobster Starter & International Buffet Lunch. After cruise you will be traveling back to Te Anau then return back to Queenstown. Arrive back to Queenstown is about 7.30pm.

DAY07 Queenstown (B)

Today is a free day for you to join some optional tours.

Like LOTR Tours, Jet boat, white water rafting, The Earnslaw steamer cruises, etc.

DAY08 Queenstown – Mt Cook National Park – Lake Tekapo (B)

You will be transferred to coach depot & then travel up north over the Lindis Pass to reach Mt Depart Queenstown and travel through the rugged and beautiful landscape of Otago.

Cross the Lindis Pass into the Mackenzie Country to visit Mount Cook Village at the base of New Zealand's highest mountain Aoraki / Mount Cook. Here there is time to experience an optional scenic helicopter or skiplane flight with a snow landing (weather permitting).

At 3754 metres, New Zealand's highest mountain, Aoraki Mount Cook is dazzling, yet there are 27 other mountains in this alpine backbone which peak at over 3050 metres, and hundreds of others not far short of that – all making up the famous Southern Alps. Continue your journey the Church of the Good Shepherd on the shores of Lake Tekapo. Obtain an idyllic photograph of the Church of the Good Shepherd on Lake Tekapo with its backdrop of magnificent alpine scenery. Stargazing tours depart to our observatory high above the village where we will explore features of the majestic Southern Sky. Tonight you will see the million stars – if weather is good! We provide the equipment and the guidance, all you need to bring are keen eyes, warm clothes and a desire to see, learn, and experience! Navigating our way through the Southern Sky using various telescopes and the naked eye, we will show you amazing sights such as our own Milky Way Galaxy, the Southern Cross, Alpha-Centauri — our closest neighbouring star at only 4.3 light years away — and Sirius, the brightest star in our sky. Behold and learn about our closest

neighbouring galaxies, the

Magellanic Clouds, which grace our night sky along with constellations such as

Orion the Hunter and Scorpius. You may also have the opportunity to see star clusters like the beautiful Jewel Box; awe-inspiring planets; nebulae, immense clouds of gas and dust; and distant galaxies which test the limits of human imagination.

Hotel: Godley Hotel or similar.

DAY09 Lake Tekapo – Christchurch (B)
