Milford Sound is simply stunning. It is a natural wonder of world fame. In Maori legend, the fiords were created not by rivers of ice, but by Tu Te Raki Whanoa, a godly figure who came wielding a magical adze and uttering incantations. Milford Sound (Piopiotahi) is without doubt his finest sculpture. Whatever the fiord's mood - teeming with rain or with sun glistening on deep water - it will inspire you. Nowhere else in Fiordland do the mountains stand as tall, straight out of the sea. In the foreground of the fiord stands the legendary Mitre Peak, a remarkable presence dominating the skyline. The Milford Road (between Te Anau and Milford) travels through some of the world's most impressive alpine scenery. Our experienced drivers love sharing some of the breathtaking highlights and there is plenty of time for photo opportunities.
