Accommodation Selections

We have carefully selected a range of preferred hotels in each region for all three categories offered, using the below 'star' ratings:

Standard

Standard is equivalent to a good 3-star tourist hotel. These hotels represent excellent value for money and usually have a licensed restaurant and bar on the premises.

Superior

Superior describes hotels in the 3½ to 4-star category. More often than not, these will be centrally located and offering a wide range of services and facilities.

First Class

First Class are central city or resort location hotels at the top end of the scale rating 4 to 4½ stars. All hotels at this level have excellent facilities, bars and restaurants etc, full services, and many feature swimming pool, spa baths, and a fully equipped gymnasium for the enjoyment of guests.

All accommodation is subject to availability at the time of booking. We will endeavour to provide accommodation of a similar standard as requested in the event your choice is not available. However as the choice of accommodation is limited in remote areas, we will use the next best available option for you.

Rooms with a seaview/lakeview or suite rooms attract supplements - please ask our consultant for assistance.

Why not spend an extra day or two to relax and unwind?

All our Package Touring itineraries can have additional nights added anywhere you like.
