Enjoy a guided visit through the subterranean Waitomo Cave, concluding with a boat ride to see the lights of the glow worms. On conclusion travel south to Rotorua, renowned for its geothermal activity.

Day 3: Discover Rotorua

Three iconic attractions are included today, Te Puia Geothermal Reserve, where you will see boiling mud pools and steaming geysers, Rainbow Springs, to learn about our native flora and fauna and the opportunity to see our native bird, the Kiwi. Lastly a visit to the Agrodome to learn about our farming heritage, including an entertaining farm show. This evening enjoy a Maori Hangi and Cultural performance at Tamaki Village.

Day 4: Rotorua – Taupo - Wellington

Travel the short distance from Rotorua following the unusual volcanic geography and through large plantations of pine forest to arrive in Taupo. Continuing south through the 'Volcanic Plateau' of the central North Island, with magical views of Mounts' Ruapehu, Ngauruhoe and Tongariro. Travel through farming communities of the Manawatu before following the Kapiti Coast into Wellington, our nation's Capital City.

Day 5: Wellington – Picton – Christchurch

This morning cruise across Cook Strait on the Interislander ferry. On arrival in Picton connect with the Coastal Pacific train which runs daily throughout the summer season (coaches replace this service in the winter).

On arrival in Christchurch you will be transferred to your hotel.

Day 6: Christchurch – Franz Josef

This morning you will be transferred from your hotel to Christchurch Railway Station. Board the TranzAlpine Train which is one of the world's great train journeys, along this journey you'll see epic vistas, travel the edges of the ice-fed Waimakariri River, traverse the Southern Alps, and see miles of native beech forest.

On arrival in Greymouth collect your rental car or join your coach and travel to Franz Josef.

We highly recommend a scenic flight with snow landing or for the more active perhaps a Heli Hike (own expense and pre booking is highly recommended).

Day 7: Franz Josef – Queenstown

Depart Glacier Country this morning, winding through lush rain forest and skirting the magnificent coast line before travelling over the Haast Pass. Travel past Lakes Wanaka and Hawea, travelling through the fertile plains of Central Otago which are renowned for vineyards, orchards and some pretty special views of the surrounding mountains to reach Queenstown.

Day 8: Discover Queenstown

A full day at your leisure to explore the many sights and activities available in Queenstown.

Please refer to page 17 for a list of recommended Queenstown activities, these are at your own expense and we recommend that you pre book to avoid disappointment.

Day 9: Queenstown – Milford Sound – Te Anau

A day trip to Milford Sound is a touring highlight. Enjoy beautiful scenery before arriving at Milford Sound, where you will join a cruise and enjoy lunch, on this magnificent sound. On conclusion travel back to Te Anau.

Day 10: Te Anau – Dunedin

Journey to Dunedin, with its beautiful old buildings and abundance of wildlife. This afternoon time is available to visit the Otago Peninsula, home to an abundance of wildlife. (Own expense and pre booking is recommended).

Day 11: Dunedin – Christchurch

Return to Christchurch along the eastern coast of the South Island, passing through the historic town of Oamaru before arriving for your overnight stay in Christchurch.

Day 12: Depart Christchurch

Self Drive; Return your rental car to Christchurch Airport. Seat on coach; Today you will be transferred from your hotel to Christchurch Airport.
