DAY03 Canterbury Christchurch – Lake Tekapo (B/D)

Travel by road to Mount Cook, Australasia's highest mountain, through the spectacular scenery of the Canterbury Plains, the foothills of the Southern Alps from Geraldine to Fairlie and through the MacKenzie Basin, with its brown snowgrass-covered landscape which has an almost desert like aspect, to Lake Tekapo. Obtain an idyllic photograph of the Church of the Good Shepherd on Lake Tekapo with its backdrop of magnificent alpine scenery. Stargazing tours depart to our observatory high above the village where we will explore features of the majestic Southern Sky. Tonight you will see the million stars – if weather is good! We provide the equipment and the guidance, all you need to bring are keen eyes, warm clothes and a desire to see, learn, and experience! Navigating our way through the Southern Sky using various telescopes and the naked eye, we will show you amazing sights such as our own Milky Way Galaxy, the Southern Cross, Alpha-Centauri — our closest neighbouring star at only 4.3 light years away — and Sirius, the brightest star in our sky. Behold and learn about our closest neighbouring galaxies, the Magellanic Clouds, which grace our night sky along with constellations such as Orion the Hunter and Scorpius. You may also have the opportunity to see star clusters like the beautiful Jewel Box; awe-inspiring planets; nebulae, immense clouds of gas and dust; and distant galaxies which test the limits of human imagination.

Dinner at Hotel
