## Try our daily tours to :

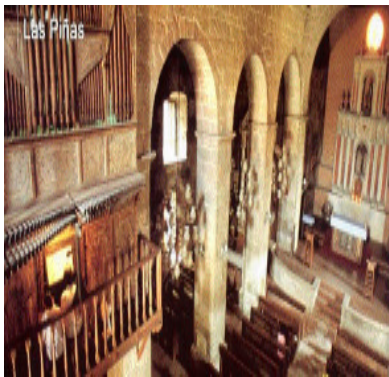

### **CITY TOUR – 3 HOURS AM/PM**

Visit the old & present Manila, the premier city rich in cultural and historical heritage. The tour starts with a brief visit to Rizal Park (where the National Hero's Monument stands), then to the Walled City of Intramuros to see the historic Fort Santiago. From that point, tour proceeds to the Cosmopolitan Suburbs of MAKATI-the Makati Commercial Center, Forbes Park "the Millionaires Row", and remembering the WWII heroes at the Manila American Cemetery & Memorial. A trip to the reclaimed area and the Cultural Center Complex along Roxas Boulevard follows. Ample time for shopping is provided before returning to the hotel.

### **TAGAYTAY TOUR-5 HOURS AM/PM**

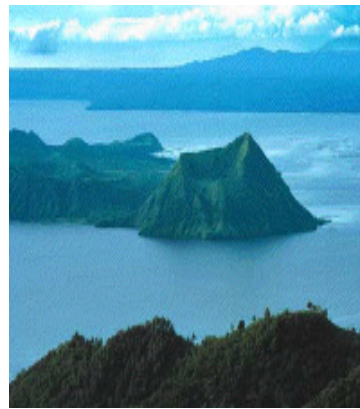

This one and a half drive takes you to the ridges of Tagaytay at 2,250 ft. above sea level, about 60 kms. South of Manila, where one enjoys the panoramic view of Taal Volcano, reputed to be the smallest and lowest volcano in the world and best described as "a lake within a lake, a volcano within a volcano and an island within an island". Sitting serenely on Taal Lake, the volcano offers a deceptive sight, considering the violent history of past eruptions. Drive through the picturesque view of the countryside and see plantations of coconut, mango, famous Bamboo Organ at Las Piñas Church (the only one of its kind in the world) and the Jeepney factory. A native refreshment or a lunch will be served at a ridge top restaurant overlooking the lake and the volcano.

**KENT HOLIDAYS (S) PTE LTD**

### **TAAL TREKKING – WHOLEDAY**

Leave in the morning for countryside leisure trip passing through lush vegetation down to the town of Talisay in Batangas. Upon arrival, lunch is served. Afterwards, board in a motorized outrigger for 30 minutes ride to the island. Then trek to a wide expanse of hardened black lava to the rim of the crater & view a spectacular and spellbinding unspoiled beauty of nature, a perfect tapestry that embodies serenity, tranquility and beauty.

### **PAGSANJAN FALLS – WHOLEDAY**

The town of Pagsanjan is about 101 kms. South of Manila or 2 hours drive passing through the vast countryside of rice fields and coconut plantations. Upon arrival at the riverside resort, visitors will board in a "banca" or a wooden dugout canoe manned by two expert boatmen heading for high adventure trip to the most famous Philippine gorge and a wet soaking joy ride experience. As the boatmen starts rowing upstream, the wonders of nature unfolds before you. The sight of lush greenery and towering cliffs above will thrill you endlessly. As you reach the falls, one may opt to ride a bamboo raft going underneath the waterfalls to experience the thunderous pounding of water coming from 350 ft. above. Another unforgettable and exciting experience is on your way back, as you "shoot the rapids" downstream. The boatmen will skillfully maneuver the boat between the rocks and boulders until you reach the calm river of Pagsanjan. Lunch is served after the trip.

**INCLUSIONS:** Entrance Fee, Lunch, Helmet, Boat Ride, Life Jacket, Cushion & Roundtrip Transportation.

### **VILLA ESCUDERO - WHOLEDAY**

Enjoy two & a half-hours drive south of Manila to the age-old coconut plantation of Villa Escudero, a self-contained community where a family heritage of four generations lives on. Marvel at the villa's superb museum, one of the country's largest collections of Spanish, Filipino, Chinese treasures, and religious artifacts. Try to experience plantation life through a village tour on Carabao-drawn cart ride, and then transfer to a restaurant where sumptuous lunch awaits set beside a waterfall in the middle of a free flowing stream. Then later, you may try to refresh yourself at the resort's swimming pool located near the river bank. During weekends, a special Cultural Dance Show is presented to the visitors.

**INCLUSIONS:** Entrance fee, Welcome Drink, Buffet Lunch, Museum Tour, Carabao-cart Ride, Plantation Village Tour & Roundtrip transportation.

### **CORREGIDOR – WHOLEDAY**

An island fortress guarding the entrance to the Manila Bay, is the historic Corregidor, the most vital harbor defense of Manila during the war. Located 25 miles West of Manila and an hour cruise aboard a luxurious 120 seater, 25 knots Ferryboat. Upon arrival, Visitors will board the pre-war type streetcars called "tranvias" to bring around the island. Then tour proceeds to the various gun batteries, Mile Long Barracks, Pacific War Memorial, and the famous Malinta Tunnel where guests experience the Light & Sound Multi-vision Show.

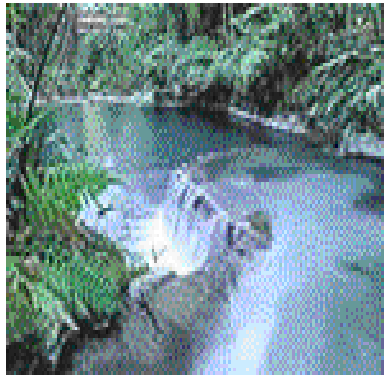

**INCLUSIONS:** Roundtrip transfer HTL/TER/HTL, Roundtrip Ferry Boat transfer TER/COR/TER, Lunch, Light & Sound Show and Guided Tour around the island.

## HIDDEN VALLEY - WHOLEDAY

Enjoy a scenic countryside drive for 2 hours South of Manila to the mountain resort called Hidden Valley Springs, located at Alaminos, Laguna. This resort is a perfect getaway for nature lovers & adventurous visitors. A vital paradise of Eden rediscovered, flourishes in a 110-acre crater more than 300 feet deep believed to have been formed by fiery volcanic upheaval thousands of years ago. A private resort abound with many species of flora, wild orchids, virgin forest, century-old trees, giant ferns a hidden waterfalls which is a sight to behold, as well as several natural spring pools with warm and cool mineral waters that would make-up your holiday experience memorable, relaxing & exciting.

**INCLUSIONS:** Entrance fee, Welcome Drink, Buffet, Lunch, PM Snack, Use of Resort Pools & Roundtrip Transportation.

## SUBIC BAY DAY TOUR - WHOLEDAY

This place was once the harbor of the US Naval Base, which was considered before as the largest outside the United States, and at present a bustling tourist destination. Subic was converted into a commercial Freeport after the American left in 1992. This sprawling base welcomes the visitors with its lush virgin forest and irresistible beaches.

It also offers wide array of outdoor recreational activities such as camping, boating, fishing, horse back riding, island hopping, diving, swimming, jungle trekking, golf and many others. The tour is not complete without shopping at the Duty Free Shops.

**INCLUSIONS:** Lunch, JEST, Base Tour, service of Local Guide & Roundtrip Transportation.

**KENT HOLIDAYS (S) PTE LTD**

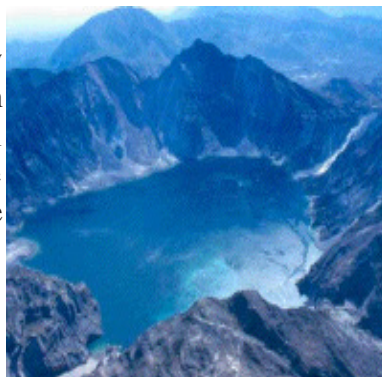

## FIESTA FILIPINA (DINNER & SHOW)

Dine at a fine restaurant and enjoy a sumptuous dinner of Filipino dishes while at the same time discover the Filipino heritage through its most fascinating folkdances as performed by one of the country's foremost troupes. Be fascinated by the rich cultural diversity of the islands as you witness the movements, colorful costumes and rituals of the Muslims of the South, the mountain tribes of the North and the rural urban villages of Christian Philippines. Tour includes a short drive around Intramuros, the old city streets and see old churches and beautiful antique houses.

## MT. PINATUBO TOUR - WHOLEDAY

Mt. Pinatubo in the province of Zambales is 3-1/2 hours away by bus from Manila. The eruption of Mt. Pinatubo on June 15, 1991 was heralded around the world as the most explosive eruption after 600 years of inactivity, surpassing that of Mt. St. Helens in Washington, U.S.A. Thick layers of ash completely surrounds the crater and the effect of mudflows in this previously heavily forested and agricultural region can be traced as ribbons flowing downhill. The DOT is promoting and developing Mt. Pinatubo as an ecotourism destination in the country. Marvel at the breathtaking view showcasing the lahar and pyroclastic materials deposited along the slope of Mt. Pinatubo down to the foot towards lowland area affected by the eruption.

**MT. PINATUBO LAHAR AREA** - Inclusion: lunch, Tour around affected area in Pampanga, roundtrip transpo. by private car & Guided Tour all throughout.  
**MT. PINATUBO TREKKING** - Inclusion: lunch, service of 4x4 all-weather jeep, roundtrip transfer by private car and service of Local Guide in Trekking.
