Try our City Experience + Gardens by the Bay Combo Tour.

Starting with a visit to the award-winning Gardens by the Bay, explore the Largest Glass Greenhouse in the World – Flower Dome where you can discover diverse plant life from around the world and take in sights of the changing floral display.

Step into the world of the Cloud Forest to explore the highlands amidst orchids, pitcher plants and ferns and be awed by the tallest Indoor Waterfall at 35-metre.

Continue on with the City Tour through Singapore's icons such as the Merlion Park, through cultural landmarks like Chinatown and Little India.

The last leg of the tour will bring you to the Jewel Box, Singapore's iconic hilltop destination up on Mount Faber to catch a fascinating view of the city skyline before ending off at the Jewellery Wholesale factory.
