Continue on to explore diverse plant life from around the world displayed in its spectacular Cooled Conservatories - Flower Dome & Cloud Forest.

Replicating the cool and dry Mediterranean climate, Flower Dome houses vivid floral displays which are refreshed periodically to bring ever-changing horticultural experience.

Be amazed as you come face-to-face with the world's tallest indoor waterfall at 35 metres in the Cloud Forest!

Be sure to check out the amazing lightshow after dark at the Supertrees.
