

ROUND ISLAND

(WITH LUNCH)

Start with a leisurely morning stroll along Singapore's highest pedestrian bridge – **Henderson Waves** and take in the lush greenery of Mount Faber and Telok Blangah Hill.

Continue west to **Haw Par Villa**, embark on an unforgettable journey into Chinese folklore and mythology at this park.

Journey north to the **Kranji War Memorial** to pay respects to the countless World War II heroes. Unveiled in 1957, the memorial commemorates over 20,000 men and women who gave their lives for freedom in World War II.

Lunch at a local restaurant before proceeding to **Bright Hill Temple**, a famous Chinese ancestral place of worship and admire its spectacular architecture.

We cross from North – Central to Eastern Singapore to explore the hidden paths and places that were not easily accessible to the average traveller. View from a distance **Selarang Barracks** – where the infamous Barracks Square incident occurred during WWII – a revolt of the British and Australian POWs interned in a Japanese Camp in Changi.

Drive past **Changi Air Base** towards Changi Village where the old Changi Hospital is located. Along Changi Beach facing the Straits of Johore, we stop for 10mins for photos. In the distance, land reclamation has started for the construction of Terminal 5 which is expected to complete in 2030 and will handle 150 million passengers annually.
