Arrival, assistance and reception by our staff at the airport and transfer in regular service to the selected hotel. Visit in the afternoon to the Brazilian Waterfalls (Including P.N income). The tour begins at the Visitor Center designed to be the gateway to the Park, operates as a center for boarding and disembarking visitors as to access the runway route it is necessary to ride modern panoramic buses that carry out the transfer within from the park. The extension of the footbridges is 1,200 meters from where you get a spectacular view of the 275 falls that make up the Iguazu Falls, of which the most important on the Brazilian side are four: Floriano, Deodoro, Benjamin Constant and Salto Union or Garganta of the Devil After the tour you have access to the panoramic elevator that allows you to get to the bus that will leave you again in the access portal. At the end return to the hotel

Day 4: Iguazú

Breakfast at the hotel. Departure to visit the Argentine Falls (Includes income P.N). After taking the Ecological Train, we will enter the upper and lower footbridges of the Argentine National Park, approaching both the waterfalls that can practically touch. Such magnitude of wild nature obtains its maximum expression in "The Garganta del Diablo", where the tumultuous waters form countless rainbows.

We recommend to make the optional excursion "The Great Adventure", where the passengers of the boat will have a baptism under one of its jumps.

Day 5: Iguazú / Buenos Aires / Bariloche

Breakfast at the hotel.

At the scheduled time, transfer in regular service to the airport to take the flight to Buenos Aires and connection to Bariloche. Arrival, assistance and reception by our staff at the airport and transfer in regular service to the selected hotel.

Day 6: Bariloche

Breakfast at the hotel. Departure on excursion to the Small Circuit. From Bariloche we skirt the Nahuel Huapi lake, reaching Cerro Campanario (includes ascent), allowing us to know the privileged environment of this town, one of the most important tourist places in Argentina.

We head west along Avenida Bustillo, skirting the southern slope of Lake Nahuel Huapi, with a distance of approximately 65 km.

Through its path we can pass by beaches such as Playa Bonita or Bahia Serena, some natural viewpoints, such as Bahía López and Punto Panorámico, which are undoubtedly the ideal places to contemplate the wonderful landscape; From there you can see the Cerro Campanario chairlift, the Llao Llao bay, the Pañuelo port, among other fascinating sights. The Circuito Chico is a more than complete tour. In addition to the landscape, there is a varied offer of regional handcrafted products: textiles, wood, candles, ceramics, cosmetics, among others. It is a walk to enjoy and enjoy. The beauty of the landscape is present throughout the journey.

Upon completion, return to the hotel.
