Day 1. Rio de Janeiro

Take in the breath-taking view as your plane descends upon Rio de Janeiro – the 'Marvellous City' where rolling green hills, turquoise ocean, sandy beaches and high-rise urban development is all packed together in a unique blend of life and humanity. Your driver will take you from the airport to the hotel, during which time you can get a different perspective of the city, passing through the colonial style buildings and along the world-famous beachfront. The natural beauty of Rio is almost transcendental and gives you a taste of the Amazon rainforest while still retaining everything that is so incredible about a Latin American city. A walk along the mosaic tiles of Copacabana reveals much about the life of a 'carioca' (Rio local) – a refreshing caipirinha as the waves lap against the shore, a fiercely competitive game of foot volleyball, and thousands of beachgoers sunning themselves on the white sands. You have truly arrived in paradise.

After accommodation and rest you will have an excursion to H. Stern factory of precious stones!

It is one of the world's oldest factories for processing precious and semi-precious stones. Here you can see the works of skilled jewelers and make great purchases!

Day 2. Rio de Janeiro

After breakfast in your hotel you will be taken to the mythical Sugarloaf mountain, protruding abruptly from out of the ground like an asteroid just fallen from space. A magnificent cable car ride will take you up to Urca Mountain, the stop off between ground level and Sugarloaf. From there you can enjoy a smooth cocktail or sample some of Brazil's many signature dishes. Once arriving to the top of Sugarloaf mountain you will see the captivating beauty of Rio from a different angle, To your left you can see Copacabana beach stretching off into the distance, and on the horizon the faint outlines of Two Brothers and Gávea mountains. Below you is the quaint and intimate Red Beach, while to your right you can see across

Guanabara Bay to Niterói and, closer in, Rio's Botafogo and central neighborhoods, with the unmistakable silhouette of Christ the Redeemer casting its eternal gaze over the city. This trip is essential to gain a different perspective on Rio, and to truly understand its beauty.

After descending the mountain by cable car, you will head into the Old Town and Centre, where colonial architecture still remains and many old churches such as the Candelária are still in use. The cobbled streets and bright colors are a stark contrast to the whitewashed, sun soaked streets of Ipanema but in many ways are part of the authentic, nearly-forgotten Rio of old, and one can almost feel the hustle and bustle of hundreds of years ago when these streets were filled with merchants and citizens of the Portuguese Empire.

Day 3. Rio de Janeiro

Tour to Corcovado Mountain + Crist the Redeemer Statue

After a delicious tropical breakfast in your hotel, you will head out on a trip to see the world-famous Christ the Redeemer statue on top of Corcovado Mountain. A specially designed train will take you from the foot of the mountain along a winding road through the magical Tijuca rainforest where you will see some of the enchanting tropical wildlife on constant display in Rio, such as toucans, monkeys and armadillos. At the summit of Corcovado, 700m above sea level, proudly stands the iconic image seen around the world – a 38m high statue of Christ the Redeemer. But that is not the only breathtaking thing about this place – when up close to the statue you will be overwhelmed by the stunning panoramic view of the city, so high up it seems as though you are truly flying with the birds around you. From the far reaches of Guanabara Bay, to the Maracanã Stadium, all along to Sugarloaf Mountain, Copacabana, Ipanema and Gávea Mountain, you can see the whole of Rio de Janeiro.
