From early morning to late in the night you can see people playing football and volleyball on the golden sand of the beaches. For those who prefer active holidays Rio offers opportunities to practice almost any sport: golf, tennis, surfing, rafting, diving, delta flight and many others. Numerous open cafeterias on the beach will offer you refreshing coconut water, freshly squeezed juices and other drinks. You can also see presentations of local musicians on the beach playing all kinds of music.

At the top of Corcovado, at an altitude of 700 m above sea level, stands the symbol of Rio - Statue of Christ the Savior (38m), which was built in 1931. A breathtaking panorama view of the metropolis and its surroundings the Niteroi Bridge, Guanabara Bay, the Botanical Garden, the world's largest Maracana stadium, Sugar Loaf, and more is possible from the top of Corcovado.

Falls are located in the National Park with its unique flora and fauna, which appeared after a volcanic eruption, and the displacement of the earth formations. The name Tupi-Guarani Indian tribe is translated from the waterfalls and means "big water". There are 275 waterfalls, each of which has its own name, which rush down with a crash into the canyon of "Devil's Throat". There is an amazing contrast between the calm and even lazy river water over Iguassu Falls above and the powerful overthrow boiling water flows from a height of 72 meters into the abyss. You can stand for hours without stopping, watching this show and thinking about the magnificence of the universe and eternity. You will go on a "Macuco safari" through the jungle.
