## **Day 1: San José City**

Arrival at the International Airport Juan Santa Maria.

A guide of Escapes Vip will wait for us there and takes us to San José City.

Accommodation at Crowne Plaza San Jose hotel.

## **Day 2: San José City- Arenal Volcano**

After breakfast a transport service takes us to the area of volcano Arenal. This volcano has an almost perfect cone-shaped shape and his origin is placed over three million years ago with a height of 1.633 meters.

In the afternoon we will enjoy the touristic attraction “Ecotermales” which is famous for its medical properties and their hot springs which directly come from the volcano. Depending on the climate situation we will be able to see a volcanic eruption during our stay there.

Accommodation at Los Lagos hotel.

## **Day 3: Guapiles – the National park Tortuguero**

In the morning we will leave the Hotel and start towards Guapiles where we will have our breakfast.

Then we leave towards the Canals of Tortuguero. There you find the National park Tortuguero which is the most important area for turtles in the eastern part of the Caribbean coast. The park contains an amount of natural canals which are important for the transportation and for the exploration of this territory. The fauna and flora are very extensive; because of this it is possible to observe tropical forest in his magnificence. Furthermore we can observe exotic species like the toucan, monkeys and crocodiles.

When we arrive at the regional harbor we will take a boat that will bring us to our Lodge. In the afternoon we visit the museum (entrance not included) and the town of Tortuguero.

Accommodation at the Pachira Lodge.

**(breakfast/lunch/dinner)**

## **Day 4: Canals of Tortuguero**

At around 9:30 a.m. we make a tour round the main Canals of Tortuguero with small boats to have the best view and accessibility to this magnificent place.
