Our city tour excursion begins on the eastern side of San José, passing Democracy Square and the National Museum, the Judicial Courts, the Los Yoses neighborhood, San Pedro Mall, the Hispanic Fountain, and the campus of the University of Costa Rica. After passing the capital city's main attractions, we will visit and tour the impressive Pre-Columbian Gold Museum and the beautiful National Theater. Afterward, the tour continues to the western part of the city, passing through the Metropolitan Sabana Park, by the Art Museum of Costa Rica which is actually the old control tower of the first San Jose international airport, the national gymnasium, the Comptroller General of the Republic, the residential area of Rohrmoser, the Embassy of the Vatican City, the home of the Nobel Peace Prize winner and former Costa Rican President Oscar Arias, Rohrmoser Boulevard, and the area of Pavas. At the end, we will visit an interesting site, where you will have the opportunity to buy souvenirs from your visit to San José City. Note: On Sundays, the National Theater is closed and we will only visit the outside, along with all of the rooms of the Pre-Columbian Gold Museum. Accommodation: the hotel of your choice.

DAY 2. SAN JOSÉ. EXCURSION: DOKA COFFEE TOUR, POÁS VOLCANO, LA PAZ WATERFALL GARDENS

Breakfast at the hotel. We will take the Pan-American Highway to the city of Alajuela, passing by the Agriculture Monument, the Monument to Juan Santamaria, and the famous Mango Park. During our ascent to Poás Volcano, we will stop for a fascinating coffee tour on the Doka Estate, and then continue our trip through fern, flower and strawberry fields. You will notice a change in temperature and the varied vegetation, preparing us for the exuberant cloud forest of Poás Volcano. At the Volcano, we will have time to enjoy the impressive main crater with its sulfur fumaroles. Then we will walk along trails up to the beautiful Botos Lagoon and learn about the different ecosystems in the national park.

Then, we will continue driving around the back side of the volcano to the La Paz Waterfall Gardens. In this natural theme park, we will walk easy trails to see spectacular wildlife exhibits, cloud forest and waterfalls, including the Magia Blanca (white magic) Waterfall, which is the largest and most impressive of the area. At La Paz, we will visit observatories of butterflies and birds, a stunning hummingbird garden, a frog garden, Serpentarium, wild cat and monkey habitats, and a replica of a traditional Costa Rican house. After the walk, we will enjoy a delicious buffet lunch and then begin the return to San José. Accommodation: the hotel of your choice.
