

# 4 Days Canaima-Angel Falls

With its 1000 meters in height, Angel Falls is the highest waterfall in the World! This unique cascade is located at Canaima National park and was declared by UNESCO as a natural World Heritage in 1994. A place charged with powerful energy, and stunning views. Home of more than 500 species of orchids and bromeliads dispersed over a terrain crossed by beautiful red colored rivers ideal for swimming and drinking!

On this journey you will explore rivers & jungles traveling in motorized Indian dugout canoes passing through devils canyon and Finally, after sorting beautiful rapids you reach the breathtaking Angel Falls. Get delighted in a boat trip on crystal red waters through jungles and canyons. Don't miss experience staying in Indian communities but with all the comfort of beautiful lodges.
