Santa Barbara, also known as the "American Riviera", is just 90 miles north of Los Angeles. Its natural beauty, beaches, local-inspired gourmet cuisine, and nearby vineyards are unique. It is sophisticated and simple, refined, yet relaxed. Santa Barbara is a Mecca of talented, intellectual and creative types. Throughout the city, Spanish Colonial architecture is fused with modern details. Depart from Santa Barbara and drive along the beautiful Pacific-Coast Highway. Arrive at Denmark Village - Solvang around noon. Antiquated windmills and Northern Europeans-style architecture punctuate the little village's skyline. Brilliant sunshine, boundless open country and rolling hills- these are the characteristics of what the original Danish immigrants called "Solvang," or "Sunny Field." Afterwards, the group will arrive in San Francisco in the evening.

Towering granite rocks, mighty waterfalls and placid valleys give Yosemite all the aspects of a "land of the gods" Giant trees, water gushing from the mountains, huge rocks and cliffs carved to create a land of fantasy. There is little doubt that water – in both its liquid and solid form – was the chief architect of Yosemite's landscapes. Proceed to Los Angeles in the afternoon.
