Day 1: Rio de Janeiro (30/12/2018)

Take in the breathtaking view as your plane descends upon Rio de Janeiro – the 'Marvellous City' where rolling green hills, turquoise ocean, sandy beaches and high-rise urban development is all packed together in a unique blend of life and humanity. Your driver will take you from the airport to the hotel, during which time you can get a different perspective of the city, passing through the colonial style buildings and along the world-famous beachfront. The natural beauty of Rio is almost transcendental and gives you a taste of the Amazon rainforest while still retaining everything that is so incredible about a Latin American city. A walk along the mosaic tiles of Copacabana reveals much about the life of a 'carioca' (Rio local) – a refreshing caipirinha as the waves lap against the shore, a fiercely competitive game of foot volleyball, and thousands of beachgoers sunning themselves on the white sands. You have truly arrived in paradise.

Day 2: Rio de Janeiro (31/12/2018)

After a delicious tropical breakfast in your hotel, you will head out on a trip to see the world-famous Christ the Saviour statue on top of Corcovado Mountain. A specially designed train will take you from the foot of the mountain along a winding road through the magical Tijuca rainforest where you will see some of the enchanting tropical wildlife on constant display in Rio, such as toucans, monkeys and armadillos. At the summit of Corcovado, 700m above sea level, proudly stands the iconic image seen around the world – a 38m high statue of Christ the Saviour. But that is not the only breathtaking thing about this place – when up close to the statue you will be overwhelmed by the stunning panoramic view of the city, so high up it seems as though you are truly flying with the birds around you. From the far reaches of Guanabara Bay, to the Maracanã Stadium, all along to Sugarloaf Mountain, Copacabana, Ipanema and Gávea Mountain, you can see the whole of Rio de Janeiro.

Your driver will take you back to your hotel for a quick rest before you begin the New Year festivities. Walking onto Copacabana beach you will experience a New Year's party like no other. A huge stage occupies one section of the beach, while millions (yes, millions!) of partygoers take to the sands dressed all in white to witness a spectacular fireworks display, and tributes are paid to the water goddess Lemanjá and sent into the ocean on small boats. The magical party atmosphere, it goes without saying, continues long into the night.
