

01 DAY DALAT COUNTRYSIDE TOUR

**** Note - Handling Fee SGD20 per booking apply if purchase only Optional Tour ****

Enjoy a windy ride around Dalat with breathtaking views of mountain, forest, farm, plantations and villages. In between the rides, you'll also get the chance to tone up your calf muscle by walking up the hills, and get rewarded with beautiful sceneries at the top.

It'll be an informative tour as we'll tell you the stories and fun facts of each place that we'll be visiting. You'll also be able to interact with the locals to see how they live and the way they make their living. Bring your camera along to capture the moments anytime you want. We can stop randomly by the road side if there is anything interesting that caught your eyes.
