8:00am Pick up at your hotel and depart for the trip. Stop off at Ba Ria to pick up your travel permit to the sites.

Visit the sight of the former Nui Dat Task Force Base. Little remains of this camp except the columns of the main gate. The former runway is now a wide street in the local village and the old heli-pad is now a soccer field. A school established by the Australians is nearby.

Followed drive past the location of the Horseshoe (access not permitted these days due to mining activity) to the Discourtesy Rubber Plantation. Visit the Long Tan Cross Memorial a memorial raised by the Australians in August 1969 in memory of the great battle of **Long Tan**, before continuing on to the Long Phuoc Tunnels. Like other tunnels systems found in Vietnam the Long Phuoc Tunnels included meeting areas, first aid stations, and fighting pits.
