18.00: Pick up at your hotel to start the trip .

18.30: Enjoy the unique art of water puppet show, a traditional art form closely connected with the long-standing spiritual life of the Vietnamese people. It is performed in a pool of water with the water surface being the stage. The puppeteers stand behind a screen and control the puppets using long bamboo rods and string mechanism hidden beneath the water surface. A traditional Vietnamese orchestra provides background music accompaniment. Singers with origin in North Vietnam sing songs which tell the story being acted out by the puppets (are carved out of wood). Although the authentic shows are exclusively in Vietnamese, the tales depict rural life in villages and are easy to understand. The shows typically last for one hour and offer a colorful way to enjoy an ancient tradition..
