

China UnionPay Credit/Debit Card is available

Since 2004, the network of UnionPay has covered more countries and regions including Asia Pacific Region, Europe, Americas, Africa and Australia.

The UnionPay acceptance network has extended to more than 140 countries and regions outside China, with more than 1 million ATMs and nearly 10 million merchants overseas. In China, the network also covers 170 thousand ATMs and 1.18 million merchants. At present, more than 40 financial institutions have officially issued local-currency UnionPay standard cards in more than 30 countries and regions. UnionPay cards are not only well accepted by Chinese cardholders, but also highly recognized by more cardholders in other countries and regions. Now, UnionPay has become the international bankcard brand.

** a one time processing fee of 3% will apply.*
