**Depart Time :** 06:00 am / 10:30 am

Meet at hotel lobby and proceed for trip to Loagan Bunut National Park , that takes about two and a half hours from Miri City. Visit includes a stop at a small town Beluru, and the Berawan's longhouse. Upon arrival at Loagan Bunut National Park, we take a boat trip to explore the lake and the surrounding forest to appreciate the magnificent scenery. The narrow longboats can penetrate some distance into the forest, offering an excellent close-up view of huge stilted tree roots and the chance to see monkeys and squirrels. Witness The Selambau scoop nets that are one of Loagan Bunut's most fascinating attractions, which can also be visited during the boat ride. During the fish migration periods you may watch the local fishermen at work. At other times of the year you are likely to see local fishermen using more conventional fishing methods, such as casting nets and pole nets, to harvest the lake's abundant supply of fish. Our visit also include the ancient Berawan burial platform, or Klirieng, which rears out of the waters of the lake, supported by two mighty Borneo ironwood columns. After tour, transfer back to hotel. Lunch is included at local canteen. ( L )
